

## 2011 Annual Meeting Horticulture Display

For our GCV Annual Meeting we are focusing on good garden practices that encourage the growth cycle of our native birds and butterflies. Many of you may know that our native birds are in decline because of loss of native habitat for the specific caterpillars that feed our young birds. Non-native plants do not offer breeding ground for any native butterflies, and 97% of our birds require insects-not seeds-to feed their young. Therefore we are asking each club to bring in a cutting or small plant that is native and attracts butterflies, and a picture of a non-native landscape plant that may be replaced by your specimen in a backyard landscape. The display will be titled "Plant this, not that!"

	Plant This	Not That
The GC of Alexandria	<i>Liriodendron tulipifera</i> Tulip tree	<i>Spiraea japonica</i> Japanese meadowsweet
The Ashland GC	<i>Magnolia virginiana</i> Sweetbay	Common mulberry
The Augusta GC	<i>Amelanchier canadensis</i> Shadbush	<i>Pyrus calleryana</i> Bradford pear
The Boxwood GC	<i>Filipendula rubra</i> Queen of the prairie	<i>Lythrum salicaria</i> purple loosestrife
The Brunswick GC	<i>Monarda diclyma</i> Bee balm	Bearded iris
Chatham GC	<i>Passiflora incarnate</i> Passion flower	<i>Celastrus orbiculata</i> Oriental bittersweet
The GC of Danville	<i>Ascina tribola</i> Paw paw	<i>Ligustrum vulgare</i> European privet
Dolley Madison GC	<i>Viburnum trilobum</i> American cranberry bush viburnum	
The Elizabeth River GC	<i>Wisteria frutencens</i>	<i>Wisteria japonica</i>
The GC of Fairfax	<i>Asarum canadense</i> Wild ginger	<i>Aegopodium podagraria</i> Bishop's weed
Fauquier and Loudoun GC	<i>Ascina tribola</i> Paw paw	<i>Euonymus alata</i> burning bush
The Franklin GC	<i>Lobelia cardinalis</i> Cardinal flower	
Gabriella GC	<i>Chionanthus virginicus</i> Fringe tree	Japanese maple

	Plant This	Not That
The Hampton Roads GC	<i>Verbena canadensis</i>	<i>Ailanthus altissima</i> Tree of heaven
Harborfront GC	<i>Heuchera villosa</i> Native coral bells	Pachysandra
Hillside GC	<i>Aristolochia</i> family Dutchman's pipe vine	<i>Hedera helix</i> English ivy
The Hunting Creek GC	<i>Ilex aquifolium</i> Variegated inkberry (gold mine)	<i>Ilex cornuta</i> Burford Holly
The Huntington GC	<i>Phlox divarata</i> , <i>geranium</i> <i>Maculatum</i> , <i>ilex glabra</i> (inkberry), <i>amsomnia</i> <i>Tabernaemontana</i> (bluestar), Wild columbine, <i>Calycanthus</i> <i>Floridus</i> (sweetshrub)	<i>Wisteria sinensis</i>
The James River GC	<i>Wisteria frutescens</i> <i>Cercis canadensis</i> Eastern redbud	<i>Wisteria sinensis</i> <i>cercis chinensis</i> Chinese redbud
Leesburg GC	<i>Quercus alba</i> White oak	<i>Acer platanoides</i> Norway maple
The Little GC of Winchester	<i>Clethra alnifolia</i> Summersweet	<i>Buddleia davidii</i> Butterfly bush
The Martinsville GC	<i>Vaccinium corymbosum</i> Blueberry Also, Wild geranium, Mountain laurel	<i>Lantana camara</i>
The GC of the Middle Peninsula	<i>Itea virginica</i> Sweetspire	<i>Sorbaria sorbifolia</i> False spirea
The Nansemond River GC	<i>Asclepias incarnate</i> Swamp milkweed	<i>Buddleia davidii</i> Butterfly bush
The GC of Norfolk	<i>Lonicera sempervirens</i> Coral honeysuckle	<i>Lonicera japonica</i> Japanese honeysuckle
The GC of the Northern Neck	<i>Chrysogonum virginianum</i> Golden star	<i>Apocynaceae</i> family Vinca minor

## Plant This

## Not That

The Petersburg GC

*Chionanthus virginicus*  
Fringe tree

Mimosa

The Princess Anne GC

*Passiflora incarnate*  
Passion flower  
New England aster

*Lonicera japonica*  
Japanese honeysuckle

RivannaGC

*Wisteria frutescens*

*Wisteria sinensis*

Roanoke Valley GC

*Baptisia australis*  
False indigo

Coreopsis(ed. note: most are  
native and beneficial)

The Spotswood GC

*Sambucus Canadensis*  
Elderberry

*Aucuba japonica*  
Acuba

Three Chopt GC

*Itea virginica*  
Sweetspire

*Hedera helix*  
English ivy

The Virginia Beach GC

*Loropetalum physocarpus*  
Fringe flower

*Physocarpus opulifolius*  
Ninebark

The GC of Warren County

*Aronia arbutifolia*  
Red chokeberry

*Euonymus alatus*  
burning bush

The Warrenton GC

*Lindera benzoin*  
Spice bush

*Euonymus alatus*  
Burning bush

The Williamsburg GC

*Betula nigra*  
River birch

Leyland cypress

Winchester-Clarke GC

*Viburnum nubum*  
Possumhaw viburnum

*Viburnum rhytidophyllum*  
Leatherleaf viburnum

Club not identified  
(but appreciated)

*Baptisia australis*  
False indigo

*Echinops sphaerocephalus*  
Globe thistle
