RULES FOR JUDGES

1. Horticultural Division will be judged according to the standards set by the American Rose Society's *Guidelines for Judging Roses. Modern Roses XII* and the 2008 *Handbook for Selecting Roses* will govern classification.
2. Artistic Division will be judged according to *The Garden Club of Virginia Flower Shows Handbook*.
3. Judges have the right to interpret any rules or regulations, and their decisions are final. One Blue, one Red, one Yellow, and one or more Honorable Mention Ribbons will be awarded in all classes where merited.
4. The Court of Honor and Best Arrangement in the Show shall be chosen only from the Blue Ribbon winners.
5. When selecting the Court of Honor, all Horticulture Judges must be present. When selecting the Best Arrangement by an individual, best Inter Club Arrangement, best Novice Arrangement, and Most Creative Arrangement, other than Inter Club, all Artistic Judges must be present. Secret balloting is required.
6. In the case of a tie, point scoring of tied arrangements or specimens is required.
7. Persons judging in Artistic Divisions are not permitted to exhibit in those divisions.

HORTICULTURE DIVISION

Rules for Horticulture Exhibitors:

1. ALL ROSES MUST BE BROUGHT TO THE PLACEMENT TABLE. The Horticultural Classification committee will then place them alphabetically by name of the variety on the exhibit tables. (EXCEPTION: the exhibitor may place Section II and Section III entries.)
2. Only one person or couple may exhibit from a single garden.
3. All roses exhibited in this division must have been grown outside in the open ground without cover and under the direct supervision of the exhibitor.
4. The Rose Show Committee will furnish appropriate containers, entry tags, and material for stem support.
5. Roses must be shown under their ARS EXHIBITION NAME with entry tag filled in correctly, completely, and attached to the container by the exhibitor. Mailing labels are preferred.
6. Grooming or dressing blooms is permitted if it improves the appearance of the specimen and is skillfully done. The presence of any foreign substance applied to the foliage, stem, or bloom to improve the specimen will disqualify the entry.
7. After being placed on the show tables, entries are under the jurisdiction of The Show Committee, which is authorized to remove wilted or inferior blooms at any time during the show.

HORTICULTURE SCHEDULE OF CLASSES SECTION I – SPECIMEN ROSES

ARTISTIC DIVISION

Rules for Artistic Exhibitors:

The Schedule is known as "The Law of the Show."

1. Roses must predominate in all arrangements.
2. Advanced registration for all classes **MUST** be made by September 12, 2010. Classes are closed when spaces are filled. Arrangers who register are responsible for furnishing an arrangement or canceling by September 12, 2010.
3. Entries will only be accepted between 12 Noon and 6:00 PM on Tuesday, October 5, and between 7:00 AM and 9:15 AM* on Wednesday, October 6. Exhibits must be passed and in place by 9:15 AM* or they will be ineligible for judging.
4. The use of commercially grown flowers is discouraged, but if used, please note on the plant material card.
5. Fresh flowers may not be bleached, dyed, or painted. They may be clipped, stripped, or bent, or otherwise manipulated.
6. Accessories, cut fruit and vegetables (sealed in some manner), objects that add interest, and dried and/ or treated dried plant material **are permitted** unless otherwise specified in the Schedule.
7. Inter Club arrangers may not use a base larger than 12" square, even when the arrangement itself is allowed to be larger in width.
8. Entries that have not been passed by 9:15 AM* will not be judged. Once an entry has been passed, the exhibitor may not alter the arrangement except for watering and necessary maintenance. ****Note change of times from previous years.***
9. Each entry must be executed by a single exhibitor without professional help or advice. (Exception: The Inter Club classes.)
10. The Inter Club classes are entered in the name of the club and may be done by more than one person.
11. All entries must be accompanied by a 3"x5" card listing all plant material used in the arrangement. Indicate plant material purchased from a florist with an (F) and plant material grown in the garden with a (G). ***Cards of intent are required for each arrangement.***
12. **All exhibits, containers, and accessories must be picked up by 3:00 PM on Thursday, October 7.**

ARTISTIC SCHEDULE OF CLASSES

SECTION V – In 2004, the Norfolk Botanical Garden unveiled its newest and most exciting project, a garden designed for children—the World of Wonders (WOW). Not only is it fun, but WOW is an educational garden of discovery and adventure. The artistic classes are based upon different aspects of WOW. Please refer to the GCV Flower Show website at www.gcvirginia.org. Click on Flower Shows, then Handbook, then Floral Designs. To find photographs to help interpret each design, go to the GCV website, click on Flower Shows, then Roses, then the Rose Show Schedule, 2010.

All design styles may be found in *“Styles of Flower Arranging – Contemporary Designs,”* published by the Elizabeth River Garden Club in 2006. *All paint used for backgrounds is a Valspar product, found in Lowe’s stores.*

CLASS 40 – INTER CLUB CLASS – THE PASSPORT GARDENS.

The earth can be classified into six distinct growing regions known as biomes. The Inter Club classes use features found in four of the six Passport Gardens, representing these naturally occurring growth habitats. Open only to Garden Club of Virginia member clubs and exhibited in the name of the club.

CLASS 40A – KAMCHATKA TAIGA: The Taiga is a sometimes swampy, coniferous forest found in the high northern latitudes. In WOW, the garden contains totem poles, rocks, and a giant eagle’s nest.

- Design a Construction arrangement to be displayed on a 12” square pedestal, 42” tall, against a black background. Arrangements are not to exceed 24” in width and 36” in height.

CLASS 40B – CHOCO RAIN FOREST:

The South American Rainforest is a dense tropical forest, characterized by lush foliage and people whose lives center around the river. In WOW, the garden contains a hut on stilts and an old wood canoe turned into a raised garden.

- Design a Creative Botanical arrangement, to be displayed on a 12” square pedestal, 42” tall, against a black background. Arrangements are not exceed 24” in width and 36” in height.

CLASS 40C – ITHACA ISLE: The Mediterranean chaparral climate is a place with warm wet winters, westerly winds, and calm, hot, dry summers. The WOW garden contains Greek ruins, olive trees, and a traditional fishing boat and net.

- Design a Freeform arrangement to be displayed on a 12” square pedestal, 42” tall, against a black background. Arrangements are not to exceed 24” in width and 36” in height. Arrangements may extend below the top of the pedestal.

CLASS 40D – SERENGETI SAVANNA: The savanna is a vast grassland in Africa with only scattered trees. Wild animals roam there, frequently coming close to the villages.

- Design a Pavé arrangement reflecting the footprint of these animals. The host club will provide a wedge to display each arrangement at a 45 degree angle on a table 30” tall. A blue painted board—Valspar, 5002-10A, ‘Ocean Sigh’--will extend behind and beneath the arrangement. The display space is 24” wide and 30” deep.

OPEN CLASSES – LIMITED TO 6 ENTRIES IN EACH CLASS.

Classes open to all exhibitors. Arrangements must be the work of one individual. Arrangers eligible for the novice award are those arrangers who have never won a blue ribbon in a Garden Club of Virginia Artistic Open Class.

CLASS 41 – THE DIRT FACTORY: This is a hands-on part of the garden where children can pot plants and play in the dirt and water. The garden contains a small shed, water pumps, garden tools, and of course, dirt.

- Design a Miniature arrangement to be displayed on a shelf at eye level against a cream-colored background. Arrangements are not to exceed 5” in width, height, or depth.

CLASS 42 – THE INCHWORM TUNNEL: This vine-covered tunnel, in the shape of a giant inchworm, provides entrances to the Passport Gardens.

- Design an Abstract arrangement showing movement, to be displayed on tables 42” tall and 30” in diameter, covered with a white cloth. Arrangements are not to exceed 26” in width and may extend below the top of the table. Arrangements will be viewed from all sides.

CLASS 43 – THE FROG BOG: The bog is a wet, swampy area filled with grasses and marsh plants. In WOW, there are many jewel-toned dragonflies flitting around the area, adding their own movement and light.

- Design an Illuminary arrangement to be displayed on a 12” square pedestal, 42” tall, against a black background. Arrangements are not to exceed 24” in width and 36” in height, but may extend below the top of the pedestal. Arrangements will be viewed from the front.

CLASS 44 – NOVICE – OODNADATTA

OUTBACK: The outback is the remote and usually unpopulated region of Australia. In WOW, the garden is an arid area with low-growing palms and succulents, and a large outcropping of rock. This class is open to those who have not previously won a GCV Blue Ribbon for artistic design.

- Design a Biedermeier arrangement no more than 24” wide and 36” tall to be displayed on a table 30” tall. A yellow painted board – Valspar 3010-2, ‘Sunspark’-- will extend behind and beneath the arrangement.

CLASS 45 – DESIGNER’S CHOICE –WHAT GOES

UP MUST COME DOWN: Water fountains at the WOW Garden entrance invite everyone to walk through them and enjoy the intermittent spurts of water.

- Designers may choose to interpret this class using any style. Arrangements will be displayed on 4’ square green painted risers –Valspar 6009-10, ‘Sassy Green’-- placed on the floor and viewed from all sides. Arrangements are not to exceed 36” in width. No height restrictions.

CLASS 46 – CHALLENGE CLASS –

EXPLORATION PEAK: This path is a walk through many plants and botanical discoveries that have changed the world.

- Designers will use a cross-section slice of a tree trunk and materials provided to create a design showing the journey of plants. Entrants should bring their own tools. There will be a 30-minute time limit. Arrangements will be placed on an orange painted board – Valspar 2010-2, ‘Island Orange.’ Start time is 8 AM

The Garden Club of Virginia and Harborfront Garden Club wish to express their gratitude to Hilldrup Moving and Storage and to Mr. and Mrs. Charles G. McDaniel for their generous donation of storage and transportation of The Garden Club of Virginia properties for this show.

Harborfront would also like to thank our talented carpenter, Randy Bittner, and Davis Interiors Ltd. for their help.

Notes:

“Since its founding, The Garden Club of Virginia has enriched the lives not only of its members, but also of millions of fellow Virginians as well as visitors to our state. The programs, projects, and passion of its members have had an immeasurable impact on the Virginia landscape.

“No other statewide organization rivals The Garden Club of Virginia in commitment to the common good, a vision for a better Virginia, and dedication to its own worthy goals.”

John K. Zehmer – Former Executive Director of the Historic Richmond Foundation and honorary member of The Garden Club of Virginia. He was the Senior Planner for the Department of Historic Resources for the City of Richmond and the Director of the Valentine Museum.

Directions:

The Norfolk Botanical Garden is conveniently located next to the Norfolk International Airport.

- Follow Interstate 64 to Norfolk. Take Exit on 279 onto Norview Avenue East (following signs for the Norfolk Airport).
- Cross Military Highway. Turn left at next light onto Azalea Garden Road.
- Norfolk Botanical Garden entrance is ½ mile on the right.

Hotel Reservations:

A block of rooms has been reserved for Tuesday night, October 5. Be sure to mention the GCV Rose Show when reserving rooms.
