Appreciation and Acknowledgments

The members of The Huntington Garden Club are very grateful to Mr. and Mrs. Charles G. McDaniel and Hilldrup Moving Company for transporting all of the show's properties to Hampton. Their generous contribution to the Garden Club of Virginia's 82nd Daffodil Show helps make these shows possible and supports the work of restoration, conservation and education carried out by club members in the commonwealth.

DAFFODIL SHOW AT A GLANCE

All rules apply as stated in the Garden Club of Virginia Flower Shows Handbook found on the GCV website at www.gcvirginia.org. Click on Flower Shows/ Flower Show Handbooks.

REGISTRATION

You do not need to be a member of the Garden Club of Virginia to enter an exhibit, except where noted.

Registration for Artistic Entries

Advance registration required, including Inter Club. Register online at www.gcvirginia.org prior to Monday, March 21, 2016. Individuals who register are responsible for either furnishing an arrangement or canceling no later than Wednesday, March 23, 2016.

Registration for Horticulture Entries

Advance registration is suggested for all entries. Please register online, if possible, by going to www.gcvirginia.org. Click on Flower Shows and then Daffodils, which will send you to the link for the Daffodil Show. *Horticulture entries may also be registered at the show.*

Registration Questions

Any questions concerning registration or requests for entry cards should be directed to the Daffodil Show Registration Chairmen:

Susan Casey
757-596-9231(home)

Kim Harris
757-876-1462 (cell)

huntingtondaff16@gmail.com

ACCEPTANCE OF ENTRIES

You must check in at the Registration desk to be fully registered. **Registration closes Wednesday, March 30 at 9:00 am.**

Entries will be accepted on the show floor:

Tuesday, March 29 from 2:00 - 7:00 pm

Wednesday, March 30 from 7:00 - 9:30 am

All artistic exhibits must be passed by a member of the Artistic Passing Committee before the exhibitor leaves the showroom floor.

(See Horticulture Exhibitor Rules and Artistic Design Rules for more information on passing procedures.)

The showroom floor will be cleared at 10:00 am on Wednesday, March 30.

CONTAINER RETURN

Please use containers that have a value of \$200 or less.

Exhibitors are responsible for picking up their containers at the close of the show.

For those exhibitors who are unable to pick up their containers, the Huntington Garden Club has arranged for a shipper to pack the containers and charge a shipping fee based on the final weight of the package and destination. If you wish to have your container shipped, *you must sign-up and pay for this service when you register. Payment may be made by credit card ONLY.*

Exhibitors with valuable, sentimental or irreplaceable containers should make arrangements to pick up their containers at the close of the show rather than having them shipped.

The Garden Club of Virginia and the Huntington Garden Club will not be liable for any damage incurred in returning the container.

WORK SPACE

Workrooms are open Tuesday, March 29 from 2:00 pm to 7:00 pm and Wednesday, March 30 from 7:00 am to 10:00 am.

GCV members, especially novice horticulture exhibitors, may enter the *horticulture* workroom from 12 – 2 pm on March 29 when GCV Daffodil Committee members will be available to assist and answer questions.

No arranging will be permitted on the showroom floor.

Participants will not be permitted to stand or work behind or beside the pedestals.

AWARDS

1. Awards will be presented at 2:30 pm on Wednesday, March 30, 2016 by Jeanette Cadwallender, President of the Garden Club of Virginia.
2. Entries, awards and ribbons may not be removed before Thursday, March 31 at 1:00 pm.
3. Trophies awarded only to Blue Ribbon winners except where noted.
4. The GCV Open Sweepstakes goes to the horticulture exhibitor winning the greatest number of Blue Ribbons. The Elizabeth Clopton Brown Member Sweepstakes Trophy goes to a GCV member with the most Blue Ribbons (Reds and Yellows will be counted in case of a tie).
5. Award winners who are unable to attend the awards ceremony are requested to provide a substitute to receive their awards. **No trophies will be mailed.**

RULES OF THE SHOW

All rules apply as stated in the Garden Club of Virginia Flower Shows Handbook found on the GCV website. To access the Handbook go to www.gcvirginia.org, click on Flower Shows/Flower Show Handbooks/Entering a Flower Show (pdf).

You do not need to be a member of the Garden Club of Virginia to enter an exhibit except where noted.

HORTICULTURE DIVISION

RULES FOR HORTICULTURE EXHIBITORS

1. All classes are open to all daffodil growers except where specified.
2. Exhibitors are asked to register upon arrival at the show. All entry tags and labels will be provided. Both the top and bottom of the entry card must be fully filled in. **Registration closes Wednesday, March 30 at 9:00 am.**
3. Entries will be accepted from 2:00 pm - 7:00 pm, Tuesday, March 29 and from 7:00 am – 9:30 am on Wednesday, March 30, 2016. All entries must remain in place until Thursday, March 31 at 1:00 pm.
4. **Judging will begin at 10:15 am on Wednesday, March 30.** The show area will be clear of all persons except show officials, judges and clerks until the show opens to the public.
5. Horticulture judges may not enter any class that they have been assigned to judge.
6. Information on an entry tag, including the exhibitor's number, which could compromise anonymity must be concealed. Name labels or rubber stamp are encouraged.
7. The exhibitor must have grown all standard blooms in the open. Miniatures may have been grown in protected areas.
8. Exhibitors may make up to three entries in each class for single stems or three of one variety provided that each is a different cultivar or species. Exhibitors may make only one entry in collection classes, including all classes in Section A.
9. All cut daffodil specimens will be shown without daffodil foliage. Boxwood will be provided for staging blooms. **All collections of five or more stems must be exhibited in separate containers.** Containers will be provided for all horticultural entries and will be clearly marked in the staging area.

10. The Garden Club of Virginia Club Collections must be entered in the name of the member club.
11. Each stem in an exhibit receiving an ADS Award must score 90 or more by the ADS scale of points.
12. Only one first, one second, and one third award will be given in each class. Honorable mention awards may also be given, but only if all higher awards are given. If a blue ribbon has been awarded in a class eligible for an ADS ribbon, the ADS award may not be withheld.
13. First, second, third and honorable mention awards may be withheld by judges if, in their opinion, the exhibit is not worthy.
14. The Best Bloom is chosen only from Blue Ribbon Winners, with the exception of an outstanding horticulture specimen exhibited in a non-blue ribbon, multi-stem class.
15. When selecting the Best Bloom, all horticultural judges must be present. Selection is made by ballot.
16. Exhibitors are responsible for proper name or number. Divisions and color codes are required in all classes except only division is required in Section B, Classes 17 through 19, 21, and Section I, 198-201 and as specified where required. The Royal Horticulture Society System of classification will be used. The authorities are *Daffodils to Show and Grow* (latest printing), and www.daffseek.org, which will be available for reference. Entries that are incorrectly named will not be judged.
17. The originator's name MUST appear on the label for each stem in the American-bred classes, except for seedlings shown by the originator.
18. No label may be changed except by the Show Chairman or Classification Chairman in the case of placement error. No bloom may be altered, added, substituted or removed after the judging has begun or after an award has been placed.

Miniatures

19. Miniature daffodils may be shown only in classes for miniatures. A miniature daffodil is any cultivar or species on the current ADS Approved List of Miniatures. Also, any named or numbered daffodil which appears graceful, with all its parts proportionately small, may be exhibited in miniature classes and is eligible for all ADS awards, except only numbered seedlings shown by the originator are eligible for the ADS Miniature Rose Ribbon. The judges may decline to judge any exhibit containing an unapproved miniature that they consider too large for these classes.

Seedlings

20. Blooms of seedlings may be exhibited in all classes for named cultivars, provided they are identified by a number and classification assigned by the originator. If an exhibitor is not the originator, the originator's name must be included on each label. The originator of a daffodil is the person who first flowers the bulb, regardless of who made the cross and/or first planted the seed. Only seedlings shown by the originator are eligible for the Rose or the Miniature Rose Ribbons.

Miscellaneous

21. The Show Committee reserves the right to subdivide classes by cultivar or color code when there are three or more worthy exhibits of the same cultivar or color code and if at least three worthy exhibits are left in the class. Species may be subdivided by their botanical sections.
22. All judges shall follow the rules and terms for judging as set forth in the Garden Club of Virginia Flower Shows Handbook at www.gcvirginia.org, and the American Daffodil Society's *Handbook for Growing, Exhibiting and Judging Daffodils* 2007 edition.

23. The decision of the judges is final. If an error is discovered in an exhibit after completion of judging, any award placed thereon (ADS, Special or Ribbon) shall be forfeited by the exhibitor. If an error is discovered BEFORE the judging is completed, the class MUST be re-judged.

All hybrid daffodils not falling into any of the foregoing divisions.

Division 13 SPECIES WILD VARIANTS AND WILD HYBRIDS

Any species, one bloom per stem. Any species more than one or more blooms to a stem.

ARTISTIC DIVISION

ARTISTIC DESIGN RULES

1. The Schedule is known as "The Law of the Show."
2. Except in Inter Club arrangements, which are entered in the name of the club, one person must execute each entry.
3. An exhibitor may enter as many classes as desired, but is restricted to one entry per class.
4. Designs will be judged according to the GCV Flower Shows Handbook found at www.gcvirginia.org under Flower Shows.
5. Flowers of the theme show must predominate in all designs, i.e. **daffodil**, lily, or rose, unless otherwise specified by the schedule.
6. Plants on the Endangered Species list may be used only if grown in exhibitor's garden and should be noted on the plant material card.
7. The use of commercially grown flowers is discouraged. Seasonal flowers are preferred.
8. Designs must include some fresh plant material. All exhibitors must ensure the freshness of their arrangements during the show.
9. Artificial flowers, foliage, and fruit are not permitted.
10. Treating fresh plant material by application of substances such as paints, dyes, etc. is not permitted. Plants may be clipped, stripped, bent, or otherwise manipulated.
11. Living creatures are not permitted.
12. **The following are permitted, unless prohibited by the schedule:**
 - a. Accessories
 - b. Bases
 - c. Contrived flowers and/or forms made of fresh or dried plant material
 - d. Cut fruit or vegetables sealed in some manner to discourage insects
 - e. Objects that add interest when tastefully used, e.g., nests, feathers, coral, sponges, sea fans, starfish, antlers, etc.
 - f. Container-grown plants growing in soil as part of Pot-et-Fleur or other appropriate classes
 - g. Dried and/or treated plant material
 - h. Drapery
 - i. Cards of Intent (3x5 inches)

13. No part of an arrangement placed on a pedestal may extend horizontally more than 6" on left or right of the pedestal, regardless of the position it is placed on the pedestal.
14. There are several types of backdrops used in the flower shows. None of them may be used on a pedestal. No flower material may touch the sides, back, or roof if present.
 - a. A backboard is a two dimensional surface against which an arrangement is to be seen. Unless specified otherwise by the schedule, it is to be considered a neutral backdrop like a wall, and the arrangement will not be judged in proportion to the size of the backdrop. However, if an arranger modifies the backboard with drapery, overlays, or underlays, the arrangement is judged in proportion to the size of the backdrop.
 - b. A trifold is similar to a backboard, and the above descriptions apply, but wings are attached to both sides. These may be opened at an angle or placed at right angles to the back. The schedule states the permitted dimension of the arrangements, which may include a height restriction.
 - c. A niche is constructed with a back, roof and fixed sides. The dimensions of the structure are provided in the schedule.

ARTISTIC PROCEDURES

1. All artistic entries must be pre-registered with the show Registration Chairman.
2. Check in at Registration desk upon arrival at the show.
3. GCV exhibitor entry cards will be filled out completely, both top and bottom portions, by the Registration Chairman. They will be given to the Registrant at show check-in.
4. The exhibitor must check the name and address on both portions. Make sure that there is a mark on the entry card if you are a **GCV member** and/or if you are a **novice**. (A novice is one who has not won a Blue ribbon in a GCV Flower Show.)

5. Make arrangements for Container Return upon arrival. All containers and accessories must be plainly marked with exhibitor's name and address. Instructions for shipping should be made and a fee paid if the container is not to be claimed at the end of the show. The use of containers with a value greater than \$200 is discouraged.
6. Check Show Schedule regarding whether or not arranging is permitted on the showroom floor.
7. Upon completion of design, complete a 3x5 inch card listing plant material, noting "G" for garden grown or "F" for florist. A Pot-et-Fleur must include "R" for rooted material or "C" for cut material.
8. Notify a member of the Passing Committee when an exhibit is ready to be passed. The Passing Committee may disqualify arrangements that do not meet the schedule requirements, in consultation with the GCV Flower Shows Chairman and/or the GCV Judges Chairman.
9. The Passer will check exhibitor entry card for accuracy and completion.
10. The Passer will determine that the arrangement complies with the schedule and that the above-mentioned cards are in place before passing.
11. **The exhibitor will remain in the exhibit area until the exhibit is passed.**
12. Except for watering and/or removal of dead flowers, the exhibitor may not touch the exhibit after it is passed.
13. Exhibitors are urged to show caution when placing their arrangements and when viewing the show. As a courtesy to other exhibitors, they must stay a safe distance from neighboring arrangements.
14. Exhibitors are asked to please leave the showroom floor immediately after their arrangement has been passed.

For questions concerning the artistic schedule, please contact
Gladys Lewis at (703)777-6281 or by email at GCVJudges@gmail.com.

ARTISTIC SCHEDULE OF CLASSES

From the Sea to the Stars

From its beginning as the tiny English “settlement at Kicotan” in 1610, Hampton’s rich history has spanned four centuries of life beside the Chesapeake Bay. Ambitious, hardy explorers clashed with native Indian tribes; emerging democracy led to revolution against colonial powers; strategic naval battles were fought off her shores; major conflicts between North and South took place nearby; commercial, scientific and military success was created out of economic ruin.

Just as daffodils bring new life from dormant bulbs each spring, Hamptonians have endured many challenges to create the city of today.

Inter Club Classes

- Inter Club classes are open only to Garden Club of Virginia member clubs and arrangements are exhibited in the name of the club.
- Further details on design styles can be found on the GCV website, www.gcvirginia.org, Flower Shows, Flower Show Handbooks, Floral Styles and Designs.

Class 247 A

Naturalistic Landscape design

First Century: The early English settlers relied on the sea to meet their needs.

Displayed on tables with white tablecloths. There is no height restriction; width cannot exceed 28 inches.

Class 247 B**Late Colonial design**

Second Century: As the colony grew, the bustling sea-side town became a gateway to the James and York rivers.

Displayed on gray pedestals 42 inches high with 12 inch square tops, viewed from the front. The green Horticultural display risers will serve as backdrop. There is no height restriction; width cannot exceed 24 inches, or extend more than 6 inches on either side of the pedestal.

Class 247 C**Phoenix design**

Third Century: Devastated during the Civil War, an influx of new people and financial capital brought economic rebirth.

Displayed on gray pedestals 42 inches high with 12 inch square tops, viewed from the front. The green Horticultural display risers will serve as backdrop. There is no height restriction; width cannot exceed 24 inches, or extend more than 6 inches on either side of the pedestal.

Class 247 D**Parallel design**

Fourth Century: Hampton's fourth century brought its reach to the stars with the role NASA's Langley Research Center played in space exploration.

Displayed on tables with white tablecloths. Arrangements will be displayed against a 3/16" 30 inch wide by 40 inch high black foam backboard set 24 inches deep on the table. The arrangement cannot exceed 28 inches in width by 40 inches in height.

Individual Artistic Classes

- Limited to 5 entries per class.
- Classes are open to all exhibitors except the Novice Class.
- Arrangements must be the work of one individual.
- Accessories are permitted.
- Further details on design styles can be found on the GCV website, www.gcvirginia.org, Flower Shows, Flower Show Handbooks, Floral Styles and Designs.

Class 248 Endurance: St. John's Episcopal Church is the oldest English-speaking worshipping congregation in the United States. Rebuilt in the late 1800's, light streams through brilliantly colored stained glass windows.

Mille Fleur (Daffodils not required, but may be included)

Displayed on gray pedestals 42 inches high with 12 inch square tops and will be viewed from the front against the walls of the venue. There is no height restriction and the width of the arrangement is not to exceed 24 inches or extend more than 6 inches on either side.

Class 249 Arrgh! Pirates! The scourge of merchant marine and naval forces alike, pirates plagued the coast of the colonies of Virginia and North Carolina in the 17th and early 18th centuries.

Framed Spatial

Displayed on tables with white tablecloths. Arrangements will be displayed against a 3/16" 30 inch wide by 40 inch high black foam backboard set 24 inches deep on the table. The arrangement cannot exceed 30 inches in width by 40 inches in height, the size of the backboard.

Class 250 Oysters and Crabs: Hampton's seafood industry has employed its citizens and fed crabs and oysters to generations of English colonists and Americans.

Assemblage

Displayed on tables with white tablecloths; no height restrictions, width may not exceed 30 inches.

Class 251 Buckroe Amusement Park Carousel: Originally located along the shoreline of Hampton at a popular amusement park, the carousel was handcrafted in 1920.

Traditional Line Mass – Novice Class

Displayed on gray pedestals 42 inches high with 12 inch square tops and will be viewed from the front against the walls of the venue. There is no height restriction and the width of the arrangement is not to exceed 24 inches or extend more than 6 inches on either side.

GLOSSARY OF TERMS

ADS - American Daffodil Society www.daffodilusa.org

Backboard - A surface against which an arrangement is seen. Unless specified otherwise by the schedule, it is to be considered a neutral background like a wall, and the arrangement is not to be judged using it as a frame of reference.

Card of Intent - States the arranger's inspiration and personal expression of the class schedule.

Challenge Class - A class in flower shows where the flower show committee supplies all components. These items should be as identical as possible for each exhibitor.

Color Code - The letters that relate to the color found in the perianth and corona.

Corona - Cup or trumpet, the center portion of the flower which varies in length and shape.

Cultivar - A daffodil raised from a cross of two other daffodils.

Disqualify - To remove an entry from consideration because of nonconformance to schedule requirements. (Duty of the Passing Committee.)

Dried Plant Material - Plant material from which all moisture has been removed.

Foam-board - see Backboard

GCV - Garden Club of Virginia www.gcvirginia.org

Miniature - The same as a standard, only with smaller blooms, less than 50 mm in diameter.

Niche - A recessed space enclosed on three sides with the size governed and stated in the Schedule.

Novice - In the Artistic classes, one who has not won an individual Blue ribbon in a GCV Flower Show. In the Horticulture classes, one who has never won an individual horticulture blue ribbon in *any* show approved by the GCV flower show's sanctioning flower society. A horticulture exhibitor may be considered a novice in each of the GCV flower shows sanctioned by the American Rose Society, the American Daffodil Society or the North American Lily Society.

Perianth - The circle or wheel of petals and sepals surrounding the central corona.

Seedling - Unnamed cultivar.

Standard – Any daffodil with a diameter greater than 50 mm.
