DEAR MEMBERS AND FRIENDS,

It is with great pleasure that this Annual Report of the Garden Club of Virginia is presented for your review. This is an opportunity to highlight our organization's accomplishments during the July 1, 2021 - June 30, 2022 fiscal year and to acknowledge and thank our many generous donors. Gifts made in honor or in memory of friends or loved ones carry special meaning.

The mission of the Garden Club of Virginia is to conserve the gifts of nature, to restore and preserve historic landscapes of the Commonwealth, to cultivate the knowledge and love of gardening, and to lead future generations to build on this heritage. Thanks to the coordinated efforts of 48 member clubs and with your philanthropic support, our organization will continue its century-long commitment toward ensuring an environmentally sound Virginia, honoring the integrity of its significant historic landscapes and inspiring others to do the same.

There was renewed energy and enthusiasm to move forward to learn, grow and thrive during this post-pandemic year. Educational opportunities were broadly shared through webinars, workshops, field trips and forums, as well as horticulture, photography and artistic design flower shows and demonstrations.

The Garden Club of Virginia's commitment to the preservation of historic landscapes in Virginia was underscored with the dedication of four major landscape restorations at Poplar Forest, the Poe Museum, Stratford Hall and William & Mary, made possible by members' efforts to host Historic Garden Week each year. Our adoption of a position for the statewide protection of native plants supported our mission and an updated Strategic Plan provides a vibrant vision for the future of our organization.

We are grateful for and hope to inspire continued philanthropic support from our members, clubs, sponsors and friends in order to provide exceptional programs and educational opportunities, support community initiatives for our member clubs, and continue our dedicated and steadfast impact across Virginia.

Missy Buckingham

Missy Buckingham, President 2020-2022
GARDEN CLUB OF VIRGINIA

REFLECTIONS OF GENEROSITY

Edith Wharton said, “There are two ways of spreading light: to be the candle or the mirror that reflects it.”

On a hot summer afternoon, a four-person crew re-reinstalled one of seven large mirrors that grace the Kent-Valentine House, the historic landmark property that serves as the Garden Club of Virginia’s headquarters. This mirror underwent months of conservation by a craftsman specializing in fine art restoration and gilding.

Like the other mirrors, it was a gift of the Valentine family and likely was crafted in New York in the third quarter of the 19th century, according to a fine art appraiser. She described this particular mirror as an “Eastlake carved gessoed and gilded overmantle mirror...one of a matched pair (rare).”

Thanks to the generosity of individual donors and member clubs, the Garden Club of Virginia was able to restore these exceptional mirrors as part of our Centennial campaign to conserve and refresh the Kent-Valentine House. The mirrors now gleam in their original splendor, reflecting the crystal chandeliers and beautiful interior.

Some may ask, “What does a garden club have to do with mirrors?”

For the Garden Club of Virginia, it’s easy to make the connection. An important tenet of our mission is to preserve the past for future generations. We apply the same meticulousness to the care of the Kent-Valentine House furnishings and its grounds as we do for preserving natural environments and historic public landscapes throughout Virginia.

Your gifts help to embrace high standards of research and expertise. You help us to accurately restore and preserve noteworthy places. And thanks to you, the Garden Club of Virginia continues to shed new light on conservation and nature-related interests, informing and inspiring countless individuals and initiatives each year.

We are grateful for the many reflections of generosity that help the Garden Club of Virginia spread the light. Thank you.

Andrea Butler, Executive Director
GARDEN CLUB OF VIRGINIA

The mission of the Garden Club of Virginia is to conserve the gifts of nature, to restore and preserve historic landscapes of the Commonwealth, to cultivate the knowledge and love of gardening, and to lead future generations to build on this heritage.
THE GARDEN CLUB OF VIRGINIA GRATEFULLY ACKNOWLEDGES GENEROUS DONORS FROM JULY 1, 2021 TO JUNE 30, 2022

TRIBUTE GIFTS FOR GCV FUNDS

The Garden Club of Virginia has separate funds to support distinct pillars of our mission. Gifts to all funds except the Annual Fund are restricted to specific purposes. Many donors have made tribute gifts in honor of and in memory of others to these funds. The Garden Club of Virginia sends acknowledgment of these gifts to the honorees or to surviving family members.

THE ANNUAL FUND helps to provide the resources needed to fulfill the GCV’s mission.

THE COMMON WEALTH AWARD provides competitive grant funding for community-based projects led by our member clubs.

THE CONSERVATION FUND supports the GCV’s educational programming, fellowships and advocacy to promote conservation and environmental stewardship.

THE ENDOWMENT FUND ensures that the GCV will maintain its leadership role in restoration, conservation, education and beautification well into the future.

THE RESTORATION FUND helps the GCV restore, preserve and protect historic public landscapes and gardens for future generations.

### Poplar Forest Presentation

Restoration Committee Chairman (2020-2022)
During the fiscal year 2021-2022, the Garden Club of Virginia was able to return to some pre-pandemic normalcy with our meetings and programs, and it is reflected in our finances.

The Garden Club of Virginia operates on a fiscal year that began July 1, 2021, and ended on June 30, 2022. The budgets for the fiscal year were presented by the Treasurer to the Board of Directors and then to the membership for a vote of approval at the May 2021 GCV Annual Meeting. Beginning in FY2021, the Board separated the Operating Budget from the Historic Garden Week/Restoration budget, although this report will review both budgets as one whole.

The Garden Club of Virginia’s largest source of revenue is our annual Historic Garden Week. While there were many improvements made to the tour logistics as a result of the pandemic, it was exciting for the tour to return to opening houses as well as gardens. The 2022 tour enjoyed its most impressive financial success in its 89 years with a net income of $638,629. These monies fund our restoration and ongoing support of historic public landscapes throughout the commonwealth, and they fund landscape architecture fellowships.

The sources of operating funds for the GCV include membership dues, the annual fund, donations and sponsorships of events. In addition, we receive income from publication advertising, workshops and special programs and rental of our carriage house. Any shortfalls are funded by a draw of up to five percent from our endowment fund. For FY22, we took a 2.9% draw.

The expenses for the GCV include funding our restoration projects, fellowships and cash awards for member club community projects, educational programs for members and the general public, our management/staff salaries (four fulltime and three part-time staff), property maintenance and operations of our headquarters, development and communications and our yearly audit.

To communicate with our membership, we maintain our website, produce a monthly e-newsletter, a biannual Restoration newsletter and publish the Journal quarterly, leverage the District-At-Large network, as well as meet with the club presidents three times per year. We also host and facilitate meetings for 19 standing committees and seven special committees. We fund two awards each year, the Common Wealth Award and the Bessie Bocock Carter Conservation Award. The GCV normally funds two classes of fellowships each year. The Conservation Fellowship was completed in FY22 but the two Restoration Fellowships were on hold for a third year.

Our assets of approximately $9.3 million include the Kent-Valentine House property, cash accounts and investment portfolios. At the end of June 2022, the GCV investment portfolios were valued at $6.6 million, which is approximately 71 percent of the GCV’s total assets. Our financial records for the 2020-21 fiscal year were audited, and we received a clean opinion. As a 501(c)(3) organization, our Federal Form 990 was filed this year and is available for public review.

The GCV leadership remains prudent in overseeing its finances. Through these actions, we are in a stable financial position as we head into fiscal year 2022-23. We look forward to advancing our mission throughout the commonwealth.
